Please give details of why you consider the Pre-Submission Local Plan to be legally compliant. Please be as precise as possible.

17

Please give details of why you consider the Pre-Submission Local Plan to be **not** sound. Please be as precise as possible.

You must provide an answer to this question.

Policy HA1/05 Sir William Siemens Square, Frimley does not appear to have been positively prepared in terms of doing all that it can to meet the unmet needs of gypsies and travellers and travelling showpeople. This site is allocated for 170 houses together with the maximum number of gypsy and traveller pitches or

travelling showpeople plots that can be accommodated. It is considered that the policy should set out the minimum number of pitches/ plots that can be accommodated on the site in the same way that it has been for housing, particularly given the large unmet need for this accommodation.

18

Please give details of why you consider the Pre-Submission Local Plan to be compliant with the Duty to Co-operate. Please be as precise as possible.

You must provide an answer to this question.

I can only speak in terms of Runnymede but there have been constructive, ongoing conversations between us on cross boundary strategic issues.

19

Please give details of why you consider the Pre-Submission Local Plan to **not** be compliant with the Duty to Co-operate. Please be as precise as possible.

You must provide an answer to this question.

20

Please set out what modification(s) you consider necessary to make the Pre-Submission Local Plan legally compliant, having regard to the matters you have identified.

(Please note that non-compliance with the Duty to Co-operate is incapable of modification at examination)

You will need to say why each modification will make the Pre-Submission Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

You must provide an answer to this question.

21

Please set out what modification(s) you consider necessary to make the Pre-Submission Local Plan sound, having regard to the matters you have identified.

(Please note that non-compliance with the Duty to Co-operate is incapable of modification at examination)

You will need to say why each modification will make the Pre-Submission Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

You must provide an answer to this question.

Policy HA1/05 should be modified to include a minimum number of pitches/ plots that can be accommodated on the site.

22

If your representation is seeking a modification to the Pre-Submission Local Plan, do you consider it necessary to participate at the oral part of the examination?

You must provide an answer to this question.

- Yes, I wish to participate at the oral examination.
- No, I do not wish to participate at the oral examination.

23

If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary.

(Please note, the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination. You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.)

You must provide an answer to this question.

Runnymede BC has extremely high needs for both gypsy and travellers and Travelling Showpeople pitches/plots and is unable to take any unmet needs from adjoining areas, so wants to make sure that Surrey Heath does all that it can to meet its own gypsy and traveller/ Travelling Showpeople needs. The Inspector will need to decide if this unmet needs goes to the heart of the Plan.

End of representation

Thank you for answering the above questions and completing this representation.

You should receive a confirmation email once you have submitted your representation.
