Please give details of why you consider the Pre-Submission Local Plan to be sound. Please be as precise as possible.

You must provide an answer to this question.

If the plans only defence to stop the Fairoaks development is because it is green belt land, this is not enough, Labour have made it quite clear. they want to build on green belt. The development at Fairoaks is totally unsuitable for the area due to infrastructure, roads, doctors, hospitals, schools etc, traffic congestion is already unacceptable in the area and small semi rural roads are being used as main roads to cut through Chobham. there is no alternatives as surrounding areas are already at full capacity, including the M25. Wildlife will be severely affected. SANGS not Good enough.
